HANDLING

- Printed here at 90 × 90 mm. Never crop the white margin — the 4-module quiet zone is part of the code.
- Scale up freely: this is vector artwork. For a roll-up read from 2 m, use at least 200 mm.
- Reproduce as #0F172A on white. Do not tint to a mid-tone colour or reverse out.
- Do not add a logo over the code without regenerating it at error correction H.
